

AMU QUALIFICATIONS

2021 RESIDENTIAL LED BULB REBATE PROGRAM (CIP #11)

Qualifying Customers

AMU residential customers are eligible for rebates when purchasing and installing new Light-Emitting Diode (LED) light bulbs to be used where the electricity is supplied by AMU.

Rebate Details

AMU will issue rebate in the form of account credit to the customer. AMU Home Lighting Rebate Program will help you get the most out of your lighting dollars. Here is how you will benefit:

- Reduced bulb upgrade cost because of rebate
- Reduced energy cost since LED's use less electricity
- Reduced replacement costs since LED's have a longer rated life than incandescent bulbs.

Application Details

Customers must apply for rebates within six months of the purchase date shown on the sales receipt. Applications must include:

- Customer information: Name, Address, Phone Number, and AMU account number.
- Copy of original store-identified dated sales receipt/invoice.
- Must replace bulbs at the address with Anoka Municipal Utility (AMU) service.
- Rebate for each Energy Star® LED is the cost of the bulbs up to a **Limit of \$50.00 per customer per year.**

Failure to complete this information will result in a rejection of the application. Rebate qualifications and amounts are subject to change at any time. AMU conservation rebate programs may be cancelled or changed without notice. AMU customers should check with AMU to determine whether program changes have occurred.

If you have questions while filling out this form, please call 763-576-2903 weekdays between 7:00 a.m. and 3:30 p.m. for assistance. AMU will issue a rebate check to the customer. Please allow six to eight weeks for credit on account. AMU website: www.anokamunicipalutility.com
