FOR IMMEDIATE RELEASE – Monday, June 14, 2021

Anoka to Host 23rd Annual Fireworks Display on July 3

ANOKA, Minn. – Anoka’s 23rd Annual Fireworks will light up the evening sky at 10 p.m. on Saturday, July 3, at Castle Field, 600 Castle Field Boulevard. Just prior to the display, come and cheer on the Anoka American Legion Alumni team at 6:30 p.m., as they compete on the baseball diamond.

The annual fireworks display draws thousands of people to the Anoka area. It is a fun way to kick off this year’s Independence Day holiday with some flare! This year’s display will be bigger and better as we enter into a season of events after many cancelations in 2020, due to the pandemic. The display is made possible by generous donations from local businesses, organizations, and individuals. Donations are still being accepted. Those that contribute will be recognized through city communications.

Admission to the alumni game is free. Beer and concessions will be available for purchase. Past and present Anoka Legion players are encouraged to participate in this traditional baseball event. For more information about the game, please visit <https://cfabaseball.weebly.com/>.

The Anoka City Council and staff look forward to celebrating and kicking off the holiday with a spectacular fireworks display. See the increasing list of sponsors and learn more at www.anokaminnesota.com or call 763-576-2725.
